To: Estella's Pet Sitting
From: Dan and Traci Johnson

For anyone considering entrusting Estella's Pet Sitting for the care of their pet, my wife and I would like to testify that you won't find a better place for them while you are away. We have three dogs, a Beagle, Dachshund, and German Shepard mix. We toured their home and were extremely please to see the "open house" environment that our dogs were allowed to be in while we were away on vacation. After being gone for a week, we returned to pick up our dogs, and they didn't want to go home. We truly want to thank Estella and her family for making our pets a part of their family. Anyone considering a kennel, would be greatly rewarded to give Estella a call, and take a tour of their beautiful home. Your pets will be so much happier at their home than at home alone, or locked away in a cage somewhere.
